Rail Ticket Commuter Brief

Travel for Cambridgeshire (TfC) and Travel Plan Plus (TP+) in partnership with Great Northern and Greater Anglia train operators, offers members of the TfC and TP+ network a special discounted rate on season tickets purchased for travel to work.

The season ticket discount is 10% and available for train travel on the routes outlined on pages 4 & 5.

Discount scheme information

Discounted season tickets are available for travel on Great Northern and Greater Anglia routes to:

- Cambridge, Ely, St Neots, Huntingdon and Waterbeach stations, starting from London King's Cross, Finsbury Park and all stations north of Potters Bar and Hertford North.
- Anywhere on Greater Anglia Services to Ely, Whittlesford Parkway, Great Chesterford and Cambridge.

The duration of the season ticket can be from one calendar month up to one year. Odd period season tickets may also be purchased if required, for example 3 months and 10 days.

Verifying eligibility

A special discount rate of 10% will be applied to all season tickets purchased for train travel using the following method:

- Direct from the ticket office at Cambridge Main or Ely station, with accompanying rail discount form (blank copies are not available from the station) and proof of employment. Please note tickets can only be purchased from the above two stations.

Documents that may be used to verify employment include:

- A most recent pay-slip
- An offer of employment letter
- A company letter confirming employment status (stamped or dated within the last 3 months).

The employer name will be validated at the time of purchase against a list provided by TfC & TP+ to both Greater Anglia and Great Northern.

Purchasing tickets

The ticket office will also require the following information:

- Start date of ticket
- Duration of ticket
- Origin and destination stations
- Photocard ID number (if held, otherwise a new one will issued with your first ticket – passport sized photo will be required)
- Payment (cash or by credit or debit card – personal cheques not accepted)

If purchasing a season ticket for the first time, you will be issued with a Photocard ID which also contains a unique number that you can then use for renewals.

If renewing a season ticket, please note that this can only be done from 5 days in advance of the expiry date.

Carnet Ticket

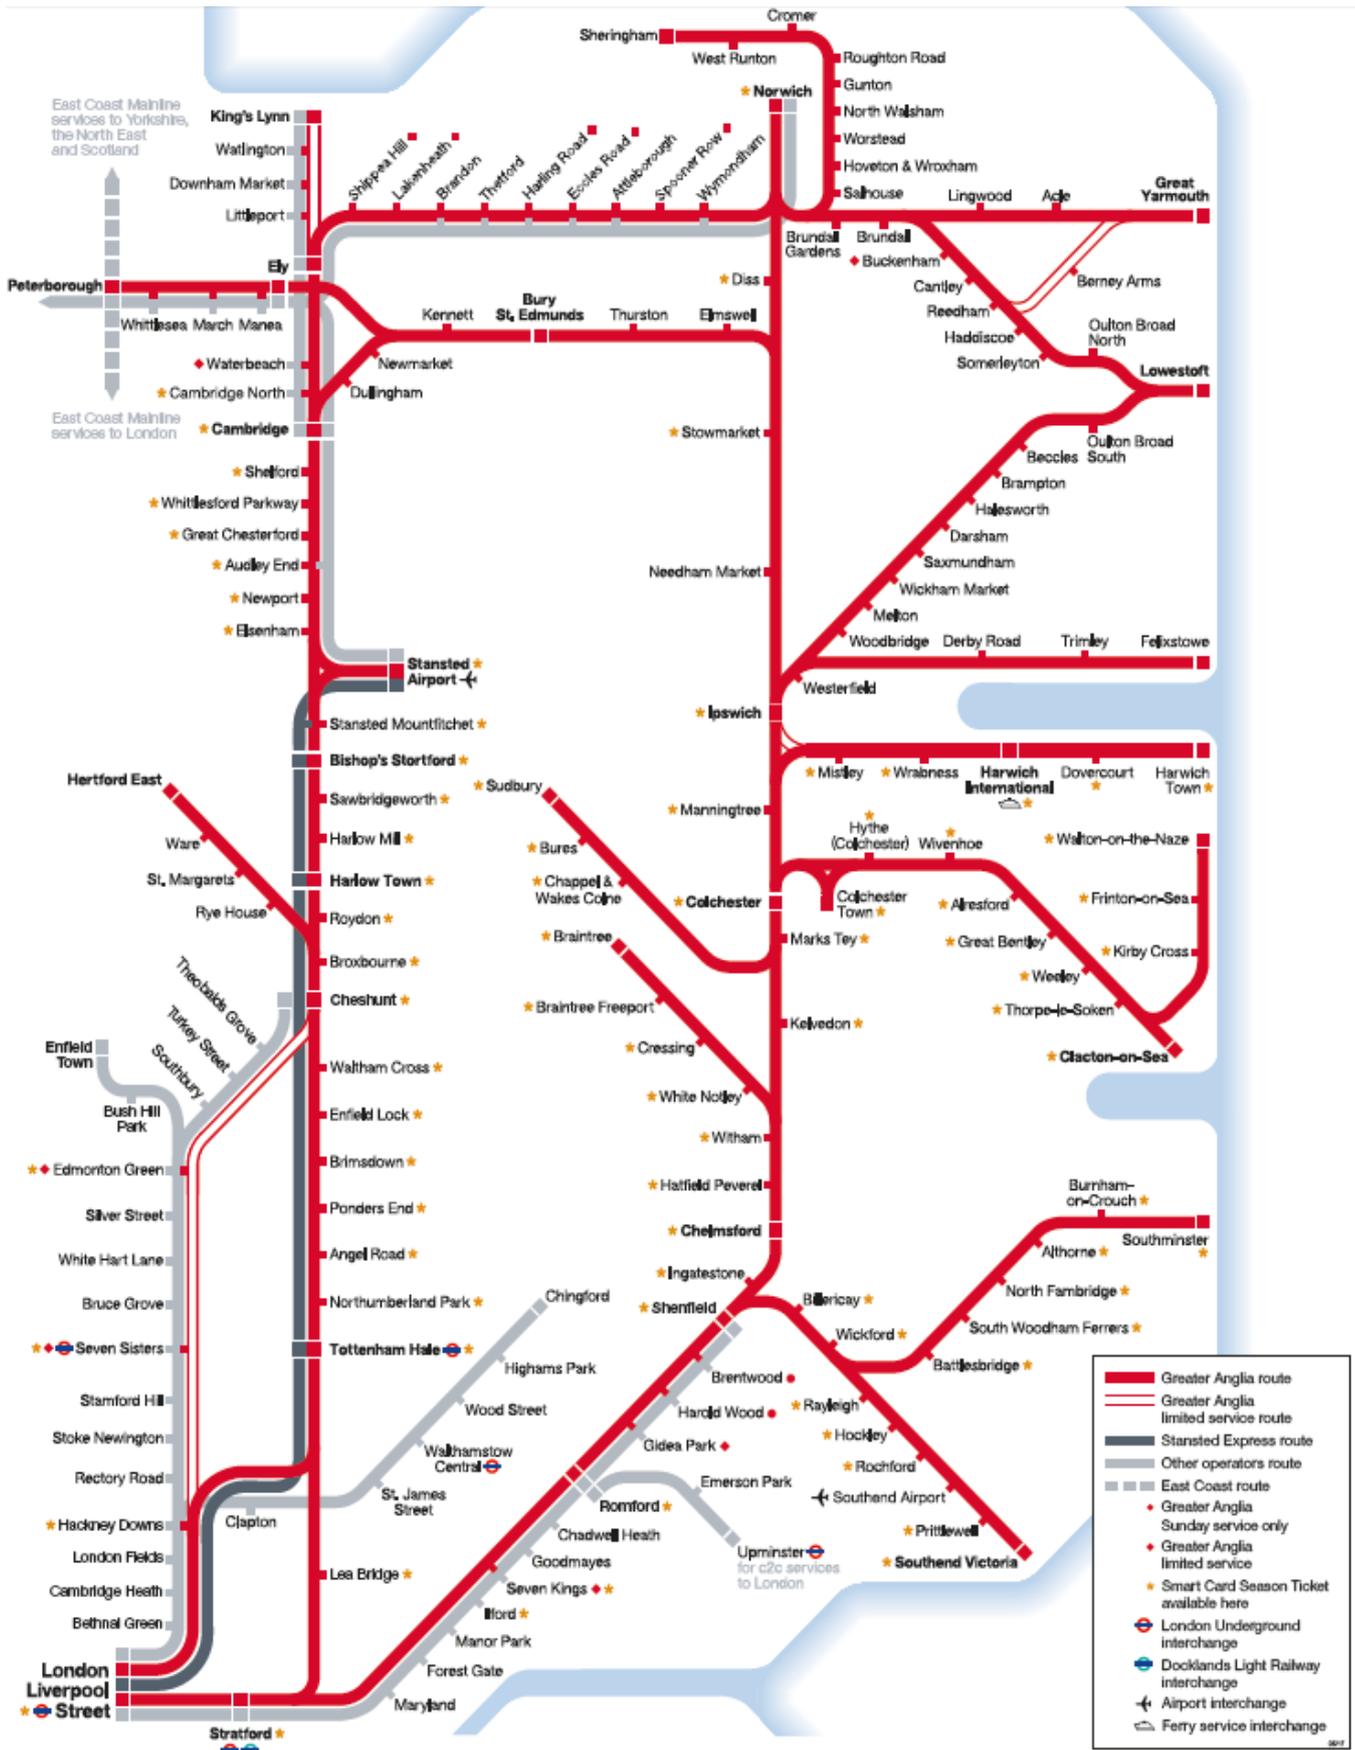

Carnet tickets are a flexible way of travelling for those who regularly work from home or travel to London Liverpool Street for work on a regular basis. Carnet tickets can be purchased in advance and used as you need them, offering great flexibility.

Carnet tickets are sold in quantities of ten which are priced at the cost of nine tickets. Additionally, they are also priced at 10% below half of the Anytime Return fare and are valid for three months.

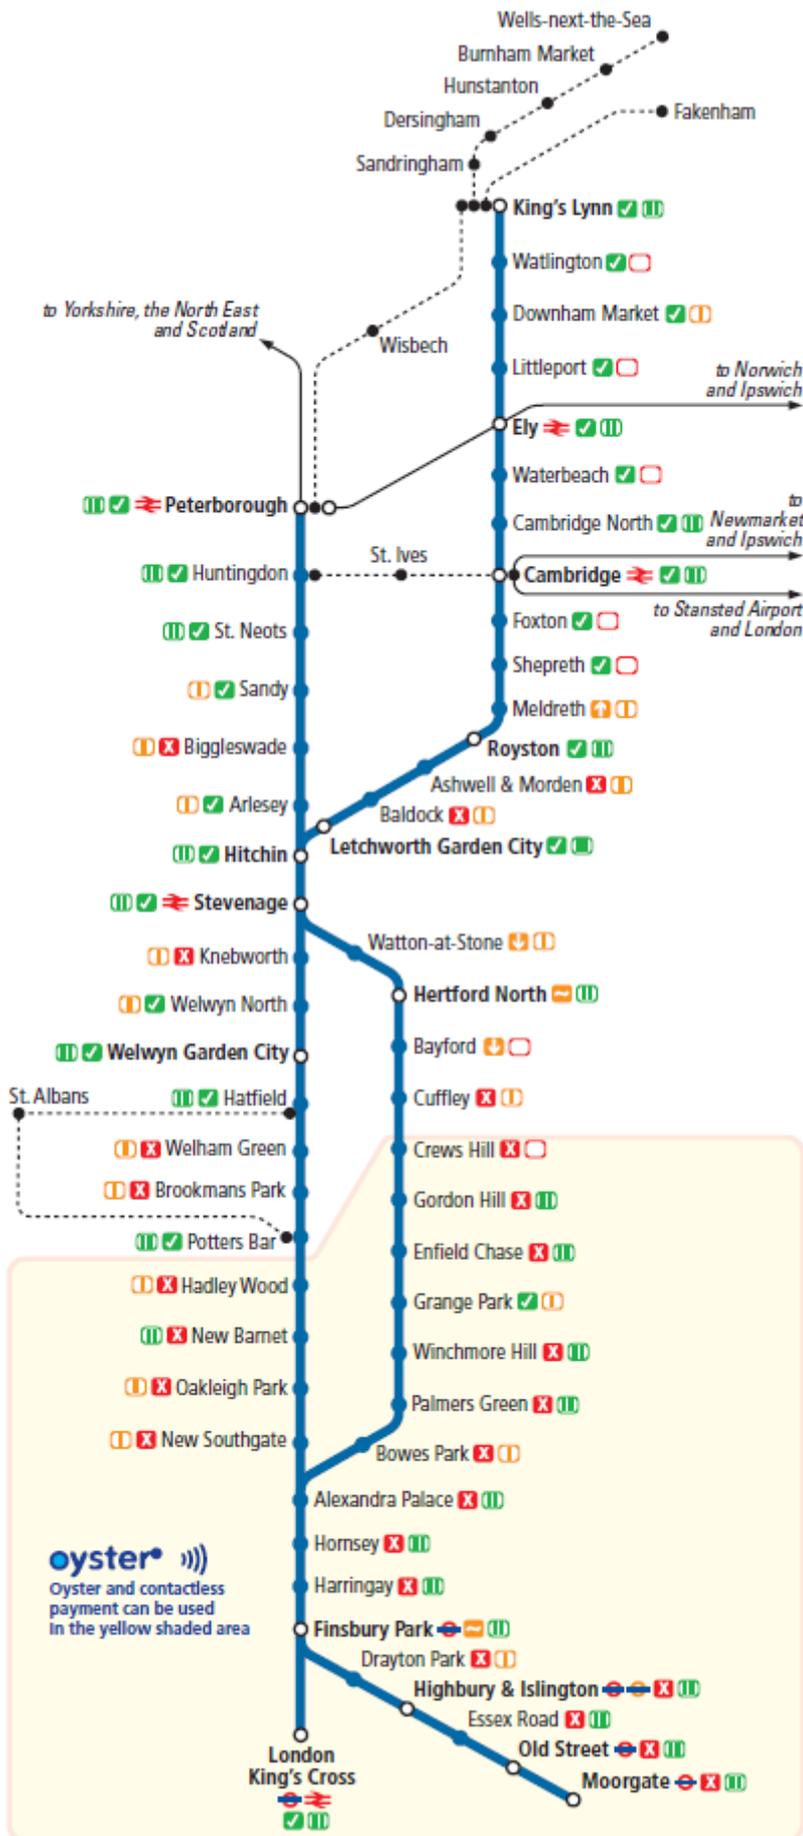

Carnet tickets are available to purchase between most Greater Anglia stations and London Liverpool Street, in either direction. The Carnet tickets can only be used in the direction shown on the ticket, so you will need to buy a separate book of tickets to travel in the other direction.
